

RANGE

12V 2 or 4 channel 433 MHz rolling code transmitters.

CODICE:

D111904	MITTO B RCB 02 R1 12V 2 channel 433 MHz rolling code transmitter.
D111905	MITTO B RCB 02 R2 12V 2 channel 433 MHz rolling code copyable transmitter.
N999542	MITTO B RCB 02 R3 12V 2 channel 433 MHz rolling code transmitter. 100 pack (numbered)
D111906	MITTO B RCB 04 R1 12V 4 channel 433 MHz rolling code transmitter.
D111907	MITTO B RCB 04 R2 12V 4 channel 433 MHz rolling code copyable transmitter.
N999543	MITTO B RCB 04 R3 12V 4 channel 433 MHz rolling code transmitter. 100 pack (numbered)
N999521	B 00 R03 Remote control holder. Clips onto belt or car sun visor (30 pack)
N999522	B 00 R04 Wall-mount remote control holder (30 pack)

PLUS

New "language" design: Design, innovation and technology. These are the messages that our brand new remote controls transmit. All products in the range are a perfect blend of style and functionality, practicality and safety, ergonomics and usability.

Maximum security: The highly secure encrypted signal and rolling code technology make unwanted copying of the remote signal or cloning of the remote itself extremely difficult. The ergonomic button design helps prevent them from being accidentally pressed.

ACCESSORIES

B 00 R03 - N999521
Remote control holder. Clips onto belt or car sun visor (30 pack)

B 00 R04 - N999522
Wall-mount remote control holder (30 pack)

CLONIX 4 RTE - D113718 00002
External 4-channel 433 MHz rolling code receiver. Power relay outputs (16A 230v)

PROXIMA BLUE - P111465
Universal handheld programmer for controlboard, receivers and transmitters with Bluetooth technology
